Sara Blake's
author newsletter

Happy Halloween!

For real this time! And blessed Samhain, for those who celebrate, as well!

This issue, I've got a pre-order reminder, a sale, and a **BUNCH** of free books for you--not just my own! There's also a big 99-cent sale going on--**get ready to fill your e-reader up with lots of goodies!**

Pre-Order Reminder

Don't forget--book two of the [Olive Tree Academy](#) series, [Between the Worlds](#), will officially be released on May 1, 2026. I launched the pre-order a bit early, just for my Sara Squad, but it's *officially* open as of today!

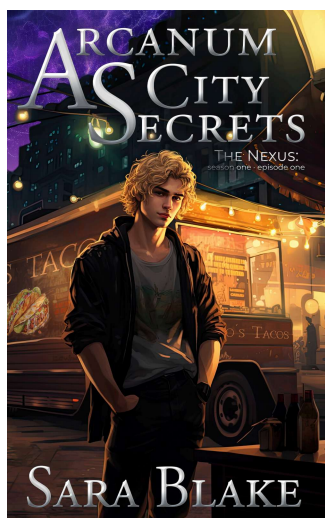

And remember--Amazon has a [pre-order price guarantee](#), so if you order now, you'll actually be charged whatever the lowest price was over the course of the entire pre-order period. I don't know what that lowest price will be right now, but I'm sure I'll do a sale or three between now and May. The best way to be sure you get the best price is to [Pre-order now!](#)

ARC Team News

Want to read Olive Tree Academy Book One, [Apprentice](#), for free before Book Two comes out in May? If you like writing reviews, then why not join my [ARC Team](#)?

And, speaking of ARCs--if you like reading and reviewing books for free, [check out this group promo!](#) Apprentice is listed, but there are plenty of other ARCs by other authors to choose from, too!

Meanwhile, Over in Arcanum...

The news isn't all about Olive Tree Academy this month!

If you read the special edition of the newsletter earlier this week, you'll know [Arcanum City Secrets](#), book one of The [Nexus Season One: Unseen World](#) had a sort of "emergency" free sale over the past five days due to a conflict with a Kindle Unlimited promo I'd committed to.

That free promo is over now, but [all nine books](#) are **99 cents each** for through December 1st!

Season Two is very definitely in the works, but each season a complete series. [Season One: Unseen World](#) is finished and ready to binge!

That's it for this time! See you again on November 14th, or sooner if you come say "hi" at the sarablakeauthor.com!

Talk soon,

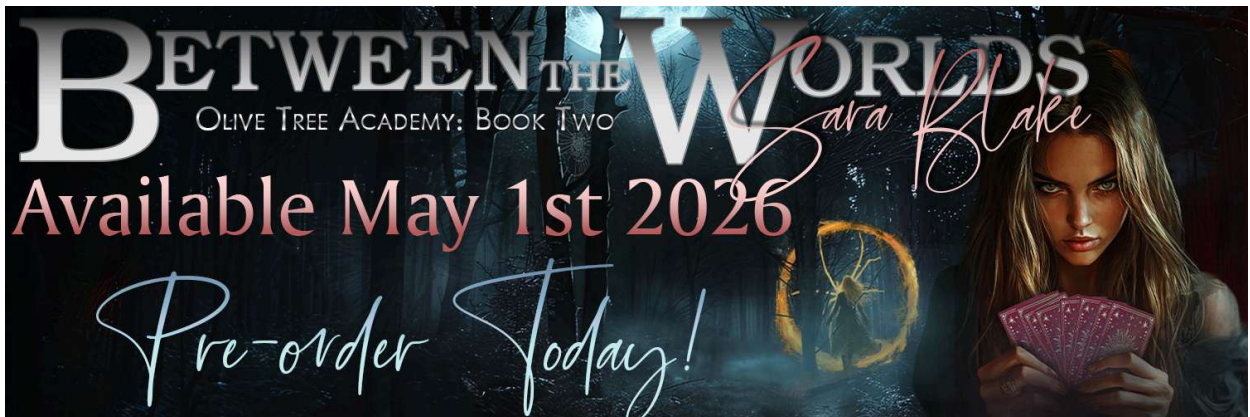

- Sara

Want Some More Free Books?

Most of these promos are completely free books. One of them is Kindle Unlimited, so free if you're part of that. Get that Kindle loaded up!
