## Black Friday, Anyone?

Okay, doing a literal "Black Friday" sale is probably kinda cheesy... but I noticed my regular newsletter send date happened to fall on this day, and I *did* have some things on sale, so I figured why not lean in?

So now, instead of *some things* on sale, **EVERYTHING** is! (The one exception being print copies of The Nexus books, because those are already priced about as low as I can manage.)

There's also a giveaway drawing, and the usual roundup of giveaways and deals from other authors. Let's go!

---

## Between The Worlds Pre-Order

The pre-order price for **Between the Worlds**, Book Two in the Olive Tree Academy series is dropping to **\$2.99** now through Sunday!

This will be the **LOWEST** pre-order price for this book. Remember, Amazon has a pre-order price guarantee, so get this price locked in!

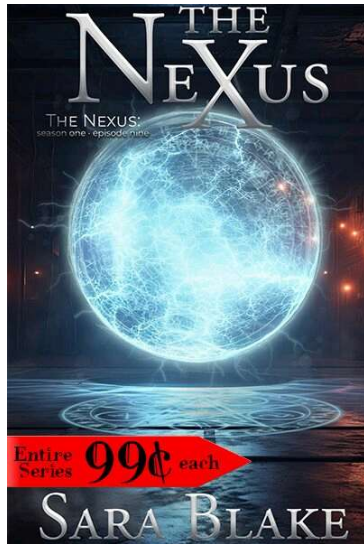

**Between the Worlds** will be out on May 1st, 2026. Be sure to grab your copy of Book One, **Apprentice**, while it's on sale, too!

## Apprentice is on Sale for the Rest of the Year!

I want everyone to read Olive Tree Academy Book One, **Apprentice**, in time for Book Two in May, so I've made it 99 cents for the rest of 2025!

And, just to be thorough, the **paperback version is also on sale!** 25% off the usual price, making it \$13.49 through Monday. ([Amazon](#) only--I did the price change at Barnes & Noble too, but it isn't displaying for some reason. Sigh.)

## The Nexus Season One: Unseen World

All the books in [Season One](#) of **The Nexus** have been on sale for **99 cents each** for a while now, and that continues through this weekend. They'll be going back up to their usual price of 2.99 each (other than Book One, [Arcanum City Secrets](#), which is always 99 cents) after Monday, though, so hurry up if you want in on this one!

## And Last But Not Least... A Big Giveaway!

Finally... I'm doing a drawing! There will be three prizes:

- 1: A full set of The Nexus Season One: Unseen World ebooks!** This includes a bonus story that won't be officially published until February!
- 2: A full (to date) set of Olive Tree Academy ebooks!** Book One will be delivered first, and Book Two will be sent when the Advanced Reader Copy is ready, which I hope will be around March.
- 3: Everything!** The grand prize winner will receive both of the above, which is everything I currently have published as Sara Blake!

So, what are you waiting for? [Click here](#) to pop over to the website and enter!

I'll be taking entries through Monday, and will do the drawing on Tuesday!

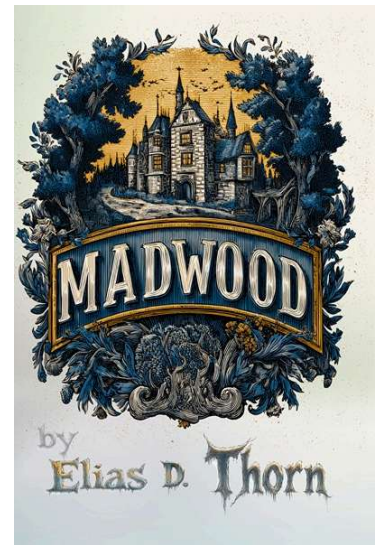

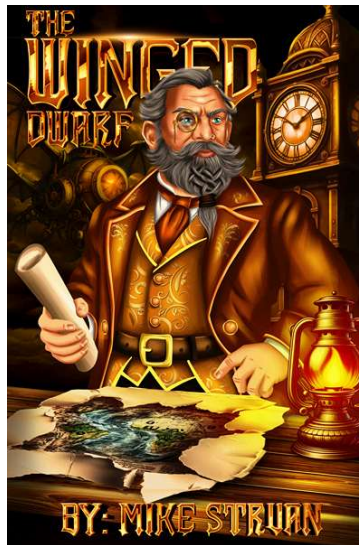

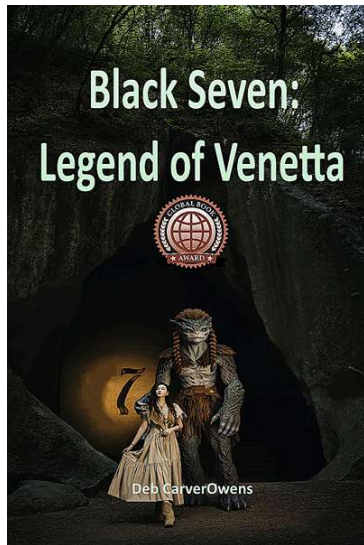

See you over on the website, and see you on **December 12th** for the next issue, which will be back to the usual news & info and less of this "buy buy buy!" stuff!

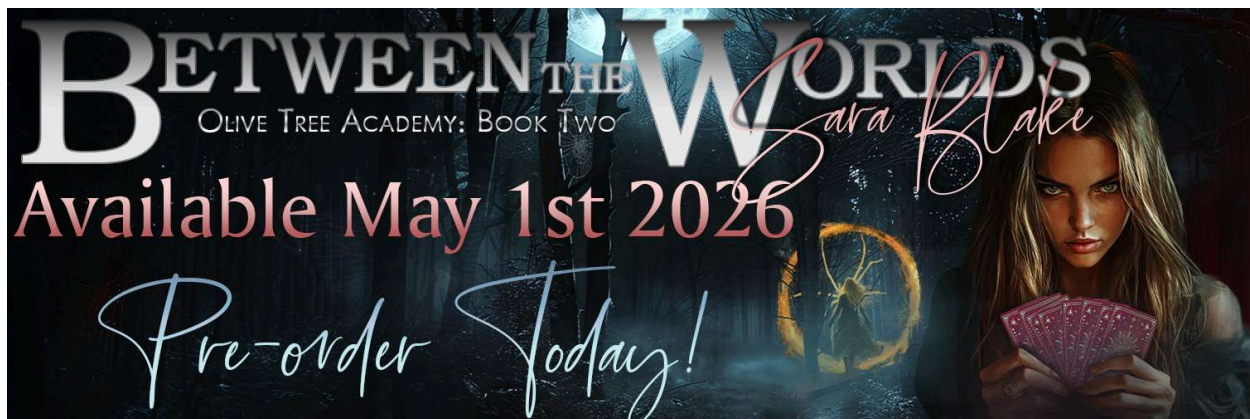

Talk soon,

- Sara
